OBJECT OF THE FUND

The object of the Fund is to secure the claims of the Covered Customers against the members of the Fund by the payment of compensation for their claims arising from the Covered Services provided by its members, so long as failure by the member to fulfill its obligations has been ascertained.

Failure by the Company to fulfill its obligations consists of its failure to:

1. Either return to its Covered Customers funds owed to them or funds which belong to them but are held by the Company, directly or indirectly, in the context of the provision by the Company to the said customers of Covered Services, and which the latter requested the Company to return, in exercising their relevant right; or
2. Hand over to the Covered Customers financial instruments which belong to them and which the Company holds, manages or keeps on their account, including circumstances where the Company is responsible for the administrative management of the said financial instruments.

PRE-REQUISITES FOR INITIATING THE COMPENSATION PAYMENT PROCEDURE

The Fund initiates the compensation payment procedure when at least one of the following prerequisites is fulfilled:

1. The Cyprus Securities and Exchange Commission has determined that the Company is, for the time being, unable to meet its obligations arising from its investor customers' claims, in connection with the Covered Services it has provided, as long as such inability is directly related to the Company's financial position which has no realistic prospect of improvement in the near future; or
2. A Court has made a ruling which has the effect of suspending the investor customers' ability to lodge claims against the Company based on grounds directly related to the financial position of the Company

Upon issuance of such a decision by the Cyprus Securities and Exchange Commission or by the Court on the commencement of the compensation payment procedure, the Fund publishes in at least three national newspapers an invitation to the Covered Customers to make their claims against the Company arising from Covered Services, designating the procedure for the submission of the relevant applications, the deadline for their submission and their content.

CALCULATING THE AMOUNT OF PAYABLE COMPENSATION

The amount of compensation payable to each Covered Customer is calculated in accordance with the legal and contractual terms governing the relation of the Covered Customer with the Company, subject to the rules of set-off applied for the calculation of the claims between the Covered Customer and the Company.

The calculation of the payable compensation derives from the sum of total established claims of the Covered Customer against the Company, arising from all Covered Services provided by the Company and regardless of the number of accounts of which the customer is a beneficiary, the currency and place of provision of these services.

Insofar as the amount of the claim determined exceeds the equivalent in Cyprus Pounds of Euro 20,000, the claimant receives as compensation the lump sum in Cyprus Pounds of the amount of Euro 20,000. For the determination of the Cyprus Pound equivalent against the Euro, the average exchange rate is taken into account as fixed by the Central Bank of Cyprus on the day of issue of the decision of the Court or the Cyprus Securities and Exchange Commission on the commencement of the compensation payment procedure by the Fund.

Upon completion of the valuation, the Fund issues minutes listing the customers of the Company who are entitled to compensation along with the amount of money each one of them is entitled to receive. The Fund communicates this to the Cyprus Securities and Exchange Commission and the Company within five working days from its issue. The Fund also communicates to each affected customer its finding no later than fifteen days from the issue of the minutes, determining the total compensation amount this customer is entitled to receive.

If the claimant, to whom the Fund communicates the total compensation amount which he is entitled, disagrees with the Fund's decision he has the right, within ten days from the communication of the decision, to appeal to the Cyprus Securities and Exchange Commission, justifying sufficiently his alleged claim.

The Fund is obliged to pay to each Covered Customer claimant the compensation within three months

from sending to the Cyprus Securities and Exchange Commission the minutes with the compensation beneficiaries.
